Lady in red is dancing toward us! Actually, Alexis isn't much of a dancer, but she does look amazing in a teeny, tight-red bikini. "It's true, I'm a lousy dancer," Alexis explains. "I got fired from my job at a strip club when I fell off stage and landed in a customer's lap. The poor guy actually liked it and gave me a big tip, but the club fired me because I'm not supposed to "touch" the customers. Isn't that bullshit?" You bet, Alexis. No worries. Madison Scott and Kagney Linn Karter come to you in a dream. "We've come for your load," Kagney says, pulling her blonde hair back and popping out her tit. Madison seals her mouth around Kagney's nipple. Kagney sighs. "Madison and I want some hot cum splashed on us. Your cum! Mind if we make-out, lick pussy, and finger-fuck each other before we double-team your cock?" Dream on, bro!

A blonde woman with long hair, wearing a black top and a black bikini bottom with a gold chain belt, is the central figure. She is looking directly at the camera with a surprised expression. A dark-skinned woman with long brown hair is seen from the side, her head buried in the blonde woman's crotch, suggesting a sexual act.

PAYING TRIBUTE TO... HISTORY'S GREATEST WHORES

By Peter Thompson

Skank, Harlot, Ho-bag, Fuck doll, Rent-a-dent.

Just like racial, ethnic, and religious slurs, popular culture's cavalier use of epithets against women of "easy virtue" are misguided, insipid attempts to justify their continued oppression.

The English language plays host to a veritable confectionery of dehumanizing pejoratives aimed at loose women. Some of the smears are so hypocritical and horrid they stain the very fabric of the modern lexicon.

Little distinction is made when casting aspersions on a load-loving lass. It doesn't matter if she's paid in food stamps, Bitcoin, or simple sneers.

In history's penis-dominated pathology, women have been vilified, tortured, and burnt alive for sluttin' it up!

From the primordial **Whore of Babylon** joyfully riding her 10-horned beast like a Sybian saddle to today's Tinder queen using her cleavage to eke out a few more months living above her means, every whore deserves to lie down and be counted.

Whores have been trailblazers in every chapter of human culture, yet few of humanity's greatest pussy pushers have been woven into the tapestry of mainstream history textbooks.

Only by recognizing, appreciating, and championing the achievements of mankind's greatest sluts can the potential whores of today achieve their full status.

History is a notorious slut shamer. But even within the bias and bigotry of mainstream misogyny there comes that special someone rising from the toxic murk like a lotus flower whose desires are strong and unapologetic. The kind of woman who doesn't take no for an answer.

It's with sullied spirit that we celebrate the accomplish-

ments of "History's Greatest Whores". The biggest sluts to ever walk the earth.

VALERIA MESSALINA, "EMRESS OF SEMEN"

Every girl daydreams of becoming a princess.

It's a common reverie even more pronounced among those growing up in the pressure cooker of profound poverty.

Visions of pink tiaras and gaudy satin gowns sparkle in their little heads like sequined glass slippers.

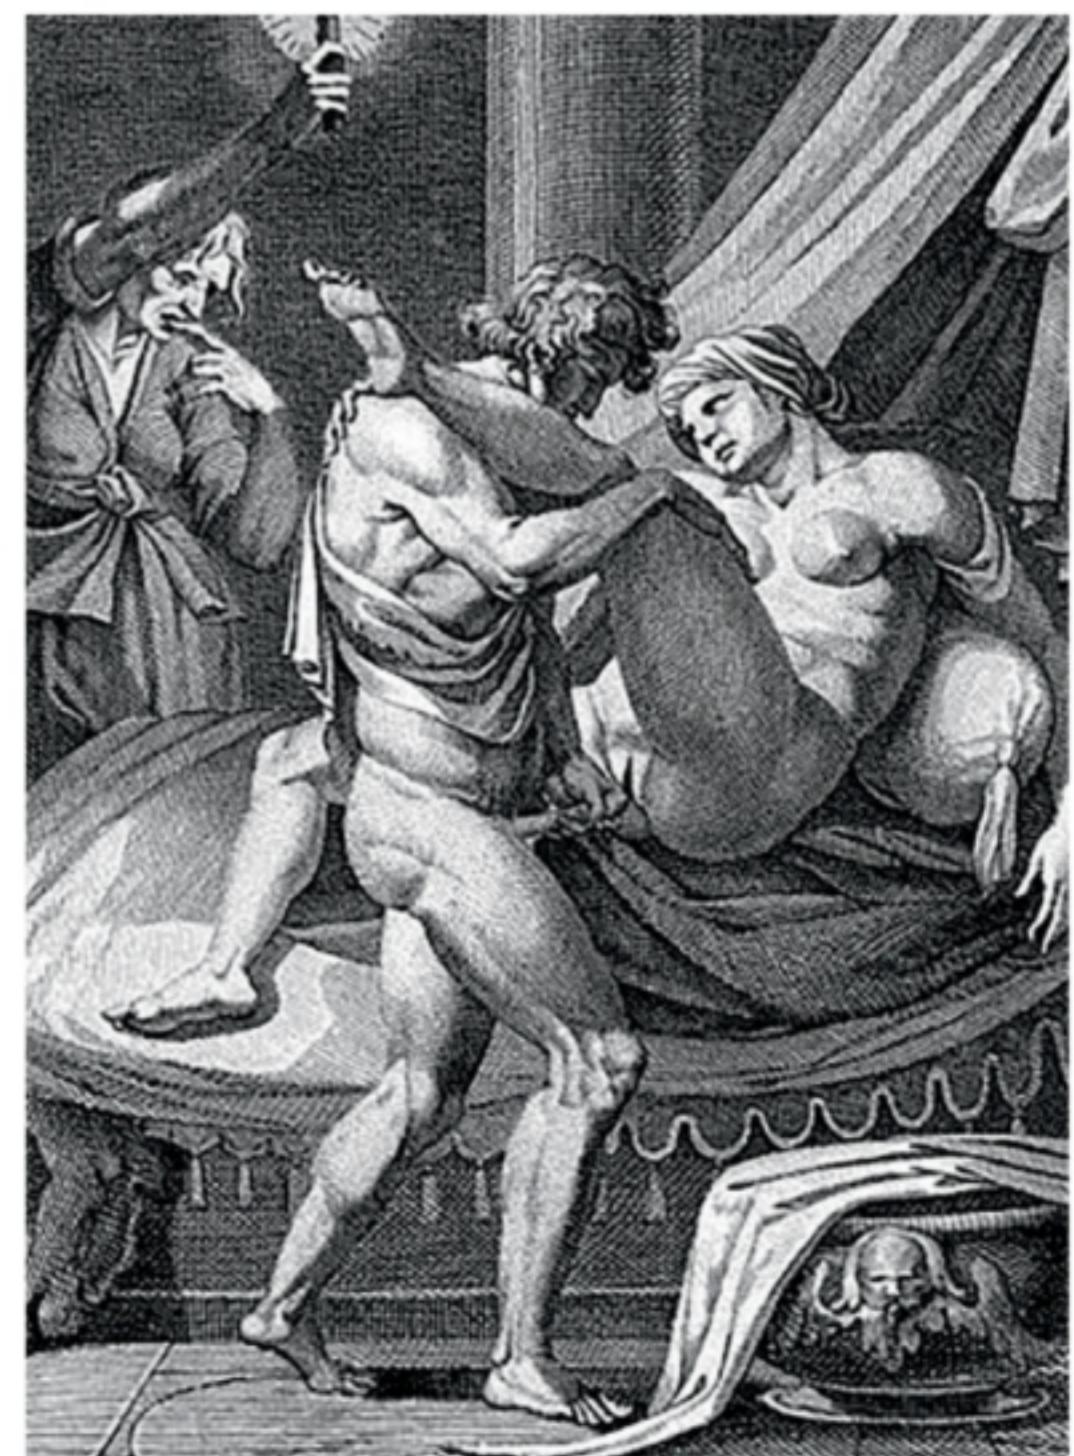

But this Princess dreamt quite the opposite, and willed it to fruition with her talented twat.

Valeria Messalina, 1st century Empress of the Roman Empire and third wife of Emperor Claudius, had it all. She dreamt of flopping around in the warm swill of a Roman chamberpot like a disoriented tuna.

She set her sights at becoming a legendary whore.

Ancient Rome was a city of arches and aqueducts, heated public baths and Virgil's epic, *Aeneid*. But it was also a city of sexual gladiators and common street whores. It was a veritable pervert's paradise.

The "Empress of the Semen" is said to have moonlighted as a proseda, a common working girl, in a

low-class Roman brothel wearing her trademark gilded nipples. She was known to the common johns only as "She-Wolf."

She was insatiable.

Eventually her infidelity, greed, licentious behavior, and talent for instigating murderous court intrigues got her assassinated on orders of her husband, who had been cuckolded one (thousand) too many times.

But during her short life, Messalina put her pussy to use like a public utility. She was a one-woman Circus Maximus of lechery and lust. So inspired and intense were her desires for dick that if any man dared reject her amorous advances she'd dispatch the guards to kill him on the spot.

She was the undisputed queen of Roman debauchery, always the last to leave the brothel at daybreak "carrying the stink of the whorehouse back to the emperor's bed."

A great granddaughter of Marc Anthony, her royal bloodline resembled an hourglass as the result of inbreeding. She counted satyrs and degenerates like Caligula, Nero, and Agrippa on the upper branches of her family tree.

Calculating, politically astute, and a stone-cold fox, Messalina infamously enjoined one of the Empire's most famous whores, **Lycisca**, into a depraved sexual endurance competition: Who could satisfy the most men in 24 hours.

Utterly exhausted and worn-out like a human catcher's mitt, Lycisca dropped out of the suck & fuck marathon around dawn. Though Messalina had already won the wager, she continued screwing all comers until she was finally chased into the streets where she continued to service the lecherous legions.

But Messalina had bit off a bit more than she could chew when she decided on marrying a rival of her husband while he was off invading England. To make matters worse, she consummated her wedding night in front of an audience

Messalina was a one-woman Circus Maximus of lechery and lust.

of sex enthusiasts in a makeshift hippodrome. Word soon reached the Emperor, who ordered her to commit suicide. He purportedly reacted to news of her death by pouring himself another glass of wine.

ASPASIA, FRIEND OF SOCRATES, WIFE OF PERICLES, LOVER OF TESTICLES

Ancient Greece conjures visions of marbled colonnades and limestone columns glimmering in the Mediterranean sun. And with its culture of democracy and forward thinking, it was the world center for revolutionary intellectual debates. These were lively symposiums, drinking party orgies attended by whores and scholars that were held in the gilded frat house homes of the upper class.

It's safe to assume that **Empress Aspasia** was no stranger to both stimulating intellectual inquiry and voracious butt sex.

Her story is the antithesis of her Roman counterpart, Messalina. Aspasia was a Greek empress who began her life as a street whore in Classical-era Athens, trading rump rides for Drachma and delicious gyros.

ASPASIA

Aspasia was such a talented ass-whore that she worked her way—ass-first—up the social ladder of polite society.

She enjoyed Greek sex so much that she set up a home business, a brothel, in the living quarters she shared with Pericles, prominent statesman and connoisseur of both oral and anal arguments. A notorious populist and bum hunter, Pericles played host to pals like Socrates, and no doubt shared his wife with several of history's greatest thinkers.

Aspasia's ass-whoring didn't keep her husband and his influential pals from engaging in some of the liveliest intellectual debates of the time, but it did cause trouble.

According to historian Aristophanes, Aspasia was single-handedly responsible for the Peloponnesian War, an almost 30-year conflict against the Spartans and their allies. It seems that a handful of Aspasia's working girls were such noted & revered sluts that they were kidnapped by the enemy and Athens was forced to retaliate.

NELL GWYN, THE VAGINAL VOLTAIRE

Her ribald ripostes and sexual *savoir faire* may have dubbed this wee bit of 17th century Cockney crumpet the Oscar Wilde of Kept Wenches, but **Nell Gwyn** wasn't all fur coat and no knickers—she was one of history's first party sluts.

Nell knew how to parlay her talents in the bedroom into a life of luxury. She did so during the 25 year-reign of Charles II as a member of one of the most hedonistic Royal Courts in English history.

During a time of cutthroats and royal suck-ups ready to drop their satin bodices and roger anyone who had the power to keep them rolling in saffron and hashed meat, Nell Gwyn had a fanny and a hankering that just wouldn't quit.

As one of Charles II's countless mistresses, she bore him two illegitimate sons. Gwyn, famous for her sharp tongue, was as useful in the snippy Royal Court as she was in giving some fit bird's pussy a lashing in her private chambers.

Because of her miraculous staying power (not unrelated to her bedroom talents) she was a hero to some, held up as

a living homage to the perks of passionless promiscuity.

Restoration England was a tough place for a bit of a rough like Nell Gwyn. Pretty women were often little more than bell-end bait, sex objects for horny punters on the pull to pursue down dark London alleys.

Fucking Nell Gwyn was said to be a thrill of the senses, a veritable psychosexual hayride.

During the summer 1679, "overcome" by brandy, Nell Gwyn fell into a brook and drowned. More than likely, she was pushed in by a local rival.

Years earlier, while on his death bed, some of Charles II's last words were spent arranging a trust for Nell, so that the self-styled meat pie could live out her remaining days in bows, ribbons, pearls, and curls.

A rival duchess, intent on sinking her claws into Nell once remarked, "Woman, you're fine enough to be a queen." To which Nell Gwyn replied, "and I'm whore enough to be a duchess."

THEODORA, THE LITTLE INGENUE WHO COULD!

Theodora was the wife of Emperor Justinian, Queen of the Eastern Roman Empire, and 6th century sex fiend.

The daughter of a circus-bear trainer and a dancer-actress mother, the Byzantine beauty was born into extreme poverty and was soon sold, along with her sister, to a brothel that specialized in servicing soldiers.

Apparently, Theodora picked up a few acrobatic tricks from her carney pop and used them to entertain the troops on leave.

She worked her way up from low-rent brothel girl to the comparatively privileged position of low-rent stage performer. At the time, the red light district in Constantinople was overcrowded with nameless whores. So Theodora set out to make a name for herself and developed a unique brand of "performance art."

Historian Procopius witnessed the magic and described it as follows: "Reclining on her back, legs spread, slaves scattered grains of barley into the calyx of the passion flower (Byzantine

for "twat") where (men dressed as) wild geese would pick the grains one by one with their 'bills' and feast until full..."

Apparently, Theodora's faux fowl fuck-act caught the eye of an influential official named Hecebolus who took her to Libya, where her human birdfeeder schtick caught the Emperor's eye.

Justinian was hooked.

Since it was illegal for an Emperor to marry an "actress," he had the law changed and soon that little whore Theodora was co-ruling the entire eastern Roman Empire.

While she never tired of performing her perverse sexual stage shows, Theodora wisely kept her husband's cock wrapped around her little finger and his ear glued to her mouth.

When not fornicating with the locals, she spent her time influencing her husband to pass progressive legislation for women.

Theodora was responsible for making rape a crime worthy of the death penalty.

Theodora even opened up a kind of learning annex for aging whores so they could train for new jobs.

WANTON WOMEN OF THE WILD WEST

Sometimes, simply out of ignorance, historians exclude history's greatest movers & shakers. Details of their lives are often hard to come by.

Other times, as in the history of the Wild West and the hard-scrabble hos humping scratch from Virginia City to Deadwood, the working girls have been purposely written-out.

Whether due to religious embarrassment or outright misogyny, the wad wranglers of the frontier have been reduced to grim caricatures and novelty acts, virtual female snake oil salesmen, hawking their holstered hooters for hollers between curtains. They've been relegated into American history's character actors, but in reality they were the leading ladies, the cultural bedrock of the mining communities. Without these bronco-bucking jezebels, these towns would've remained uncivilized.

If the Southern states were built on the backs of the slaves, the Wild West was built by women *working on their backs*.

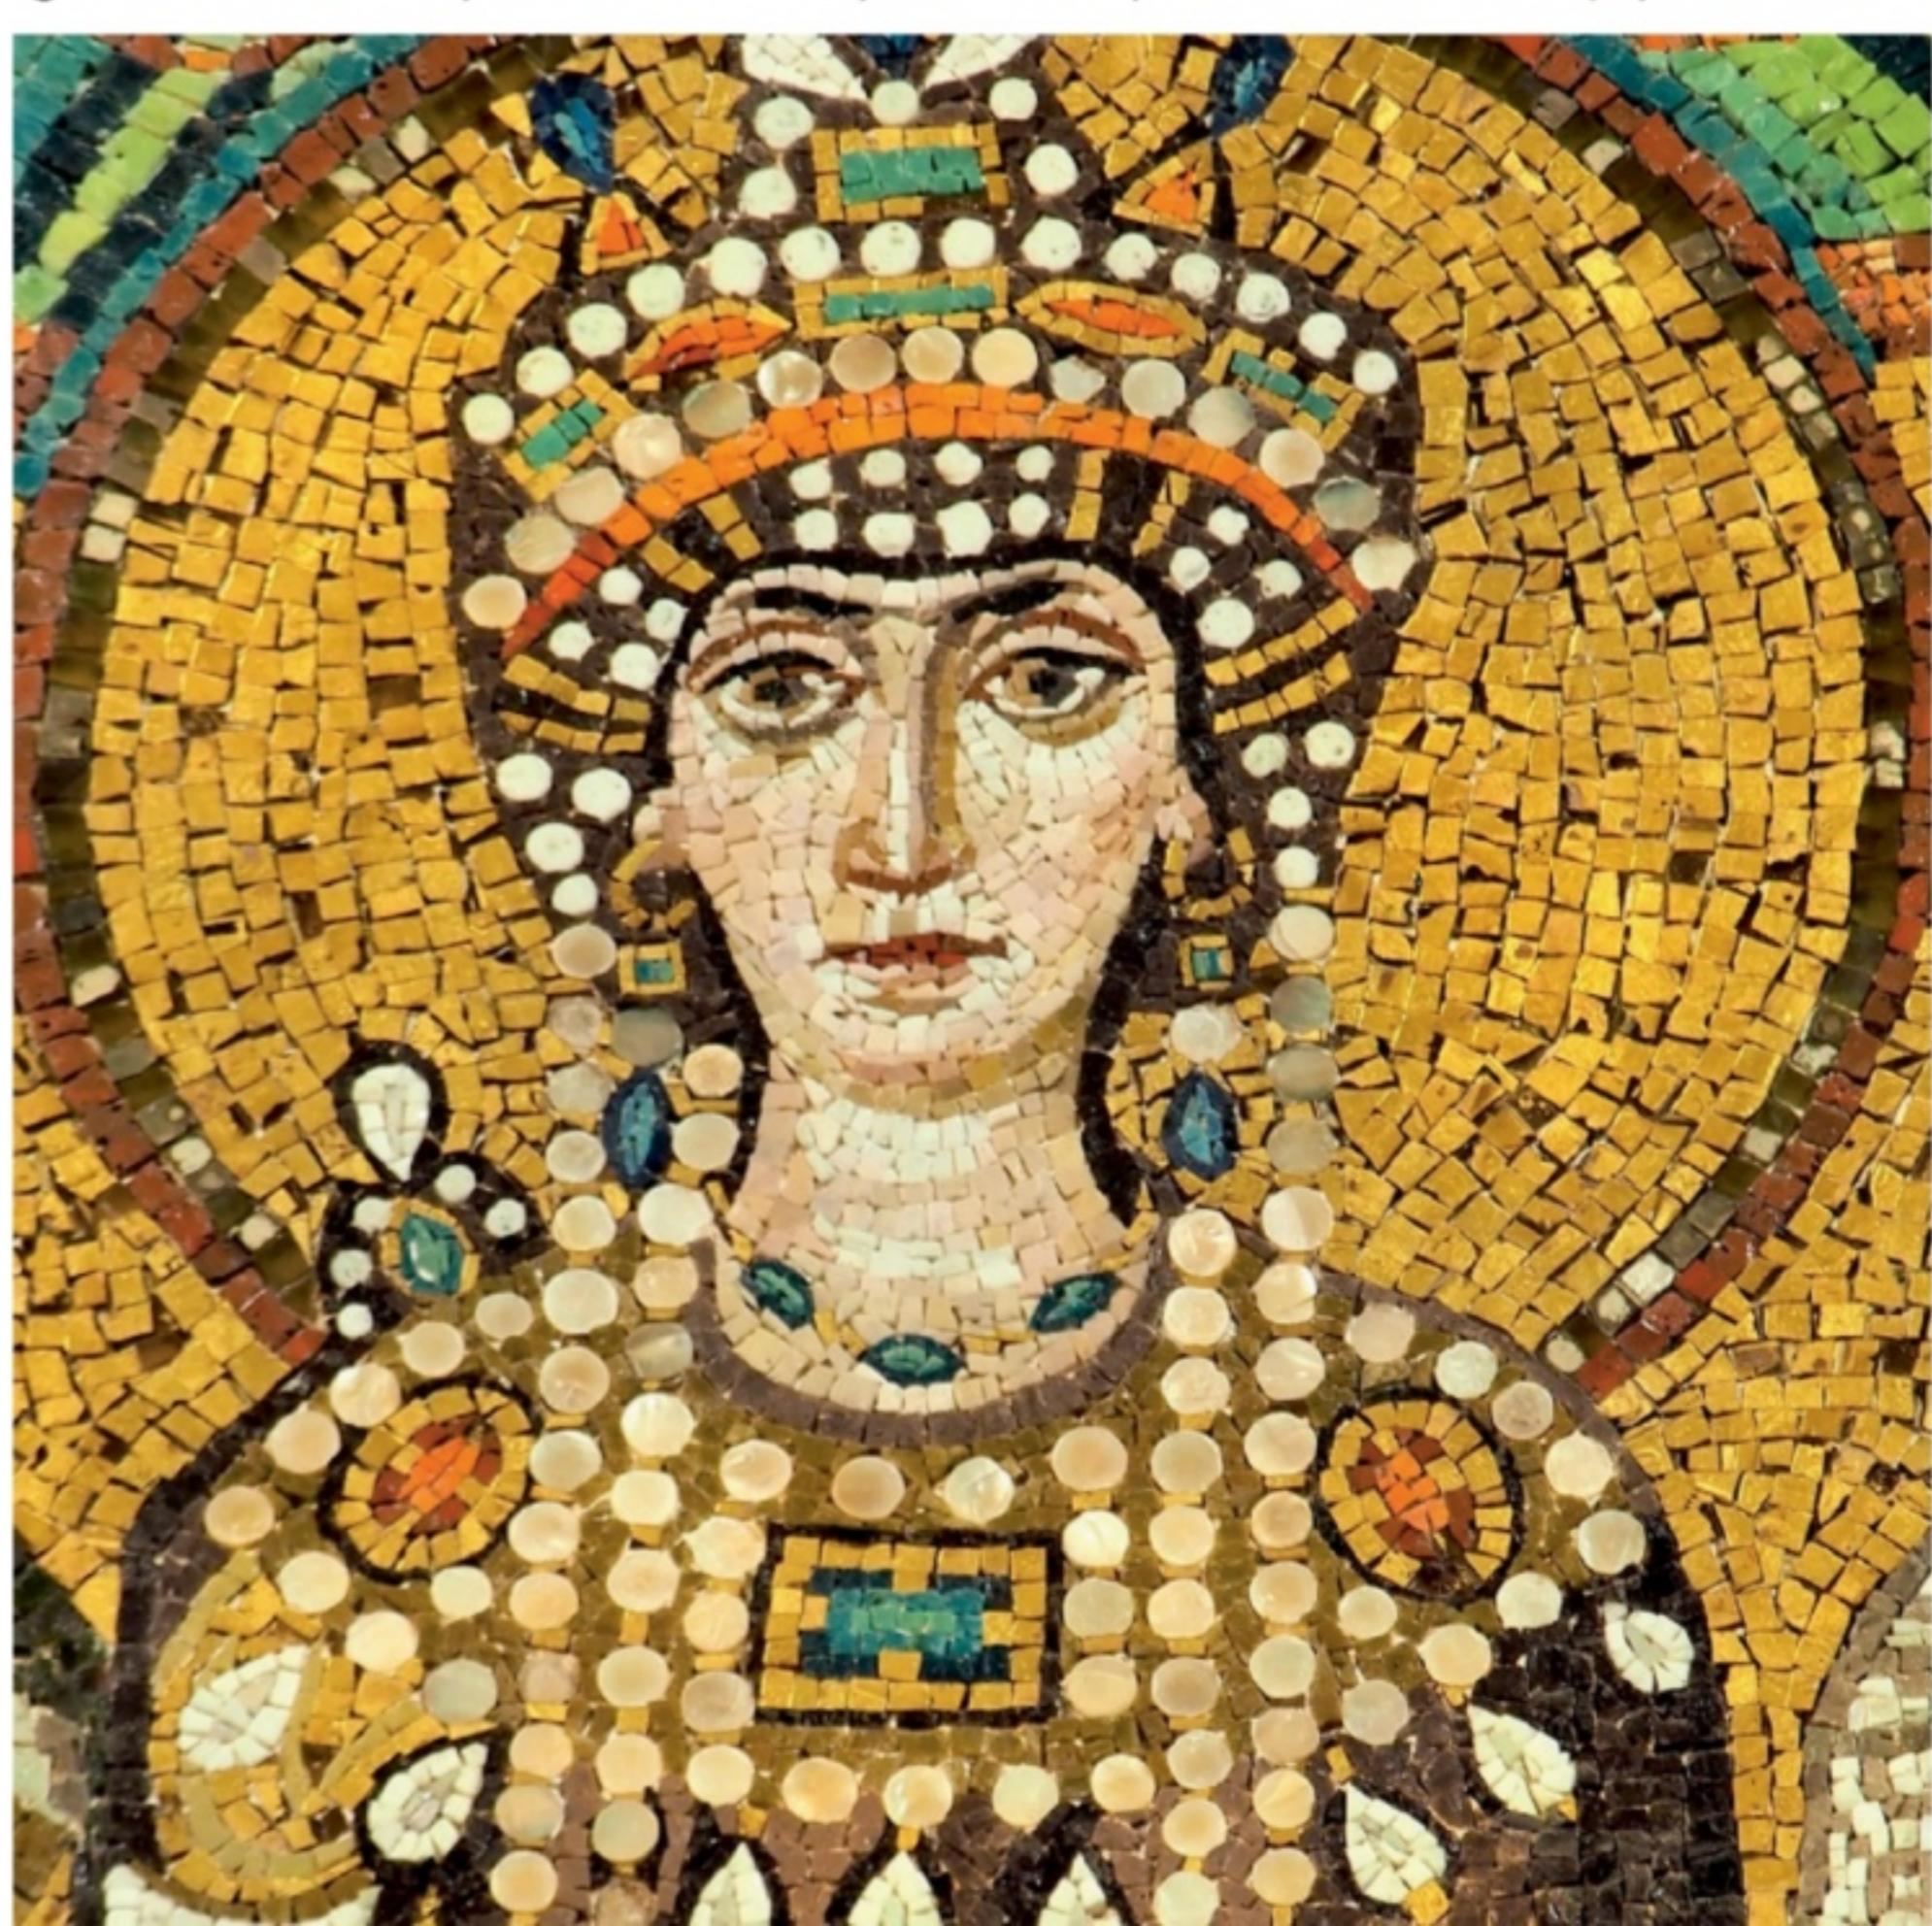

Every boomtown needed busts. Preferably big busts at that. Whether that money-energy came from gold, as in San Francisco, or steak, as in Dodge City, men who worked hard liked to play hard. Without the presence of painted ladies there most likely would've been no Wild West.

Fleecing a cowpoke of his monthly wages in a few tender hours was the specialty of these wily courtesans in a time when women had no rights and fewer recourse. Flocks of "soiled doves" kept the money moving and advanced culture to what would otherwise have remained the one-whore towns of Hollywood movies—that single, dusty street, livery stable, saloon, dry goods store, telegraph shack, jail, and post office. Surely none of these would have stood if not for the bawdy houses and their willing women.

Most of their stories have long ago been scrubbed clean by Chamber of Commerce historians, but there are some sportin' women who were so amazing at their professions that their names and talents can never be forgotten.

Mattie Silks, a gorgeous streetwalker who purchased her first bordello at the tender age of 19, hustled her way to a cool million in Dawson City, Alaska. She never officially retired from the life.

Cripple Creek, Colorado's **Pearl de Vere's** two-fisted high-roller brothel was so classy and her girls so beautiful

MATIE SILKS

AH TOY

SQUIRREL TOOTH
ALICE

and sexually talented that the madam was able to charge customers \$250 a night.

Notorious for her colorful language, **Ah Toy** was the first Chinese prostitute working Gold Rush-era San Francisco. Her husband apparently had died during the ocean voyage over so she just took up with the ship's captain for good measure. Once on *terra firma*, Ah Toy charged men an ounce of gold dust just for a peak at her exotic Oriental charms.

Squirrel Tooth Alice turned her love of getting poked by cowpokes into a highly successful chain of Midwest brothels, paying off the law with the efficiency of a Sicilian mob boss.

Fucking Nell Gwyn was said to be a thrill of the senses, a veritable psychosexual hayride.

These were women of independent means who gentrified red light districts into financial hubs. Often these same Calamity Janes found a husband and went straight; but it can never be denied that they were the ones who solicited the money to build the opera houses and universities.

The Wild West was an amusement park for itinerant alcoholics, prostitutes, and gunslingers, but these sidesaddle sweethearts managed to whore themselves a mint alongside the many outlaws, high-plains drifters, and buffalo soldiers in their midst. In doing so, they planted the first seeds of women's liberation that would come roaring in like a runaway Santa Fe freight train during the next century.

MATA HARI, SPY IN THE WHOREHOUSE OF LOVE

October 1915. As the sun came up on a cold fall day in the superheated crucible of the first World War, a tall, exotic-looking beauty with dark eyes and midnight black hair whose name meant "eye of the sun" in Malay, was tied to a stake and forced to her knees.

She was sporting her sluttiest high-fashion boots and as she faced front she coolly disarmed a dozen members of the French firing squad with a smile. She had spent the last nine months of her life in a French military prison as a convicted German spy, but **Mata Hari** was a hellcat to her last breath, reportedly graciously declining the customary blindfold.

Born in the Netherlands as Margaretha Geertruida Zelle, her thousands of sexual conquests has inspired dozens of breasty biopics.

The alleged double agent was certainly no stranger to double penetration, but it's now known that this loving creature was impelled by carnal desire, not espionage.

After seducing her university principal, Mata was forced into home school where she made ends meet purportedly fucking Dutchman. A failed marriage to an officer only left her in a deeper hole. Moving back to Paris with no money, she became a "horse rider in the circus".

Self-conscious about her small breasts, she kept her tits hidden, even during her brazen bottomless dance act. While the prudes at the Moulin Rouge may have showed a bit of knicker, Mata Hari was flashing unabashed pink.

Hari banged military officers, politicians, and bluebloods with such charm and sensuality, her pussy quickly became world famous. The press and papers of the age labeled her a "dangerous seductress," a charge that would ultimately figure prominently in her death. Women weren't supposed to travel alone, have flings with men, earn their own money, nor be as sexually unencumbered as a Tomcat. But Mata's endless bedroom trysts with a virtual who's who of Europe's most notorious men had unwittingly provided her with too much personal information on her clientele.

She had to be dispatched.

Though prosecutors later admitted that there wasn't enough evidence "to flog a cat," Mata Hari was convicted of treason. As a self-educated, intelligent, and immensely immoral woman who spoke five languages, she lived by her own depraved code.

Mata Hari was martyred by sexual prejudice. She died the way she lived, on her knees with her head held high, as though sucking off one final cock.

Booty-ful dreamer Abella Danger has a very specific sexual fetish. “I like to plant my big ass on a dude’s face, spread my cheeks, and grind down. Hard,” Abella says, playing with her wet pussy as she speaks. “I like a deep rim job. I want to feel that tongue all the way up my ass. Then I’ll slap a guy’s cock between my palms until he shoots ropes. Is that weird?” No, Abella. That’s...paradise!

PRESENTS INTIMATE STORIES AND XXX ADVICE

WITH...

JESSE

ALL PHOTOS COURTESY OF JULES JORDAN, TRENCHCOATx

PORN VALLEY, CA—Jesse will go down as one of the greatest performers in porno, and certainly one of the most popular girls ever to appear on screen. We've featured her many times here in *CLUB* and we anticipate featuring Jesse as long as she keeps producing spank bank material.

Are you a very dominant or submissive person?

I'm very dominant.

How similar are the real life you and your porn persona? What are the differences between you two?

I would say my personal life is crazier than my porn life. I do a lot more stuff privately than on film.

What makes a performer go from being a porn girl to a porn star?

It's rare to be a porn star these days with the free stuff on the Internet and cam models. It just doesn't happen anymore, which is sad.

Is it hard to date outside of the porn industry and why?

The problem isn't getting guys to date, that's easy.

I have lots of sex in my personal life. The problem is when the guy starts catching feelings for you, then suddenly, he has a problem with your job and wants you to quit.

Would you ever date a married person?

No, because they're married.

Have you ever dated a friend's boyfriend?

No, because I'm loyal to my friends.

Have you ever cheated on a boyfriend?

Yes, because he deserved it and sometimes you can't resist temptations being on the road all the time.

Did you feel great afterwards?

Yes!

How important is trust in a relationship?

Trust is everything to me. If you don't have that you have nothing.

How important is sex in a relationship?

Sex is huge; if you're not good, bye bye. If you can't keep up, bye bye. I did it once and it was hell, and I'll never stay with someone again if they suck.

Is monogamy important to you?

That's not too important to me. I believe in open-relationships to an extent.

If you could redo your first sexual experience, would you?

No.

I bet you would be good at scissoring a girl, do you agree?

I've never heard that, but funny. I guess I wouldn't be in a way because there's no insertion of a penis. (Laughs)

What do you do to keep your relationships sizzling?

Role playing, lingerie, toys, swinging, so many things you can do to keep your sex love hot.

Ever fucked a fan? Would you?

Yes, I banged a dude, don't remember his name, grabbed

him in the club, and fucked in the VIP corner. I had a dress with no panties, so it was easy, then I left. It was hot.

What would be your advice to a civilian guy if he wanted to approach a porn girl for a date?

Don't come up with corny pickup lines they'll never work

Can you tell us something about yourself your fans would be very surprised to learn about you?

I'm a big-time tomboy. I love sports, cars, dirt bikes . . . I'm not a girly girl.

How do you react when your fans recognize you in public?

I love my fans, so I appreciate it always.

What's your warning to new porn girls entering the business?

Never do too much at first and never do anything you don't want to do.

Anything you'd like to say in closing to our readers?

I love you guys, you're the best!

Just because Ariana Grand is just getting started doesn't mean she doesn't have a clear life plan. "I'm traveling extensively overseas, doing charity work, and getting laid," Ariana Grand explains. "It's a package deal I arranged through this older couple that I swing with. They're friends of my parents. And one of my former teachers said he'd donate \$100 if I gave him a handjob. It's all about who you know...making the right connections."

A close-up photograph of Ariana Grande. She is shirtless, wearing pink and grey bikini bottoms. Her hair is long and dark, and she is smiling. The background is blurred, suggesting an outdoor setting.

ON THE SET

BANGBROS.COM'S PRESENTS
BROWN BUNNIES 26

IMAGES COURTESY OF BANGBROS.COM

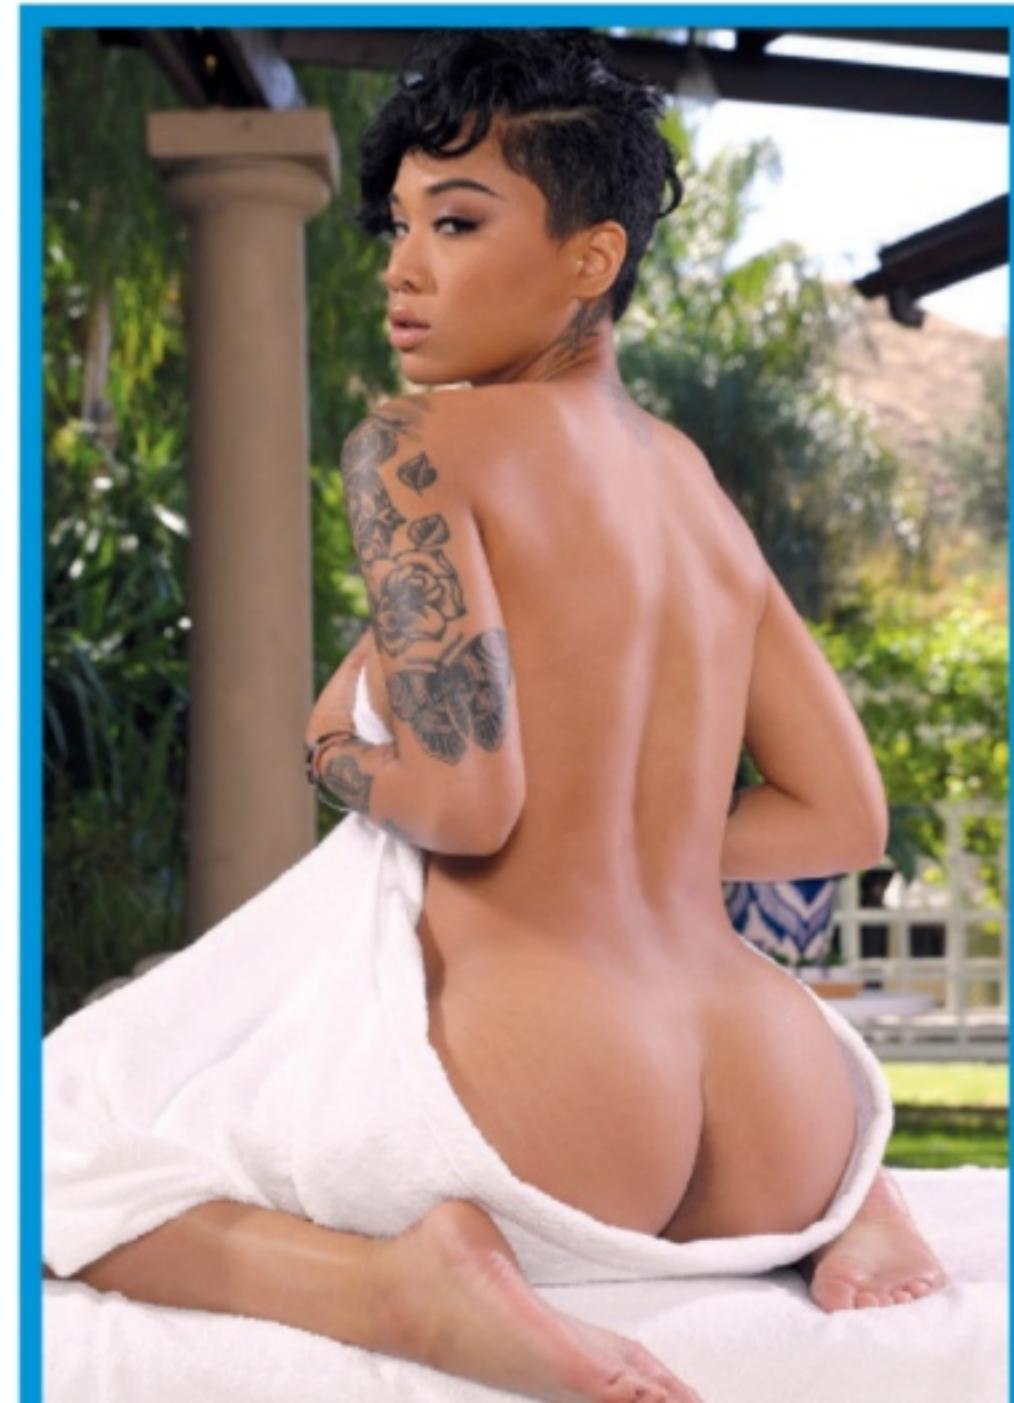

One thing we love about Bangbros.com is their dedication to featuring sexy ethnic babes. *Brown Bunnies 26* is another ball-blasting stroker featuring AVN "Starlet of the Year" nominee Honey Gold, plus some new Black fresh faces that we no doubt will be seeing and jerking it to a lot.

HONEY GOLD

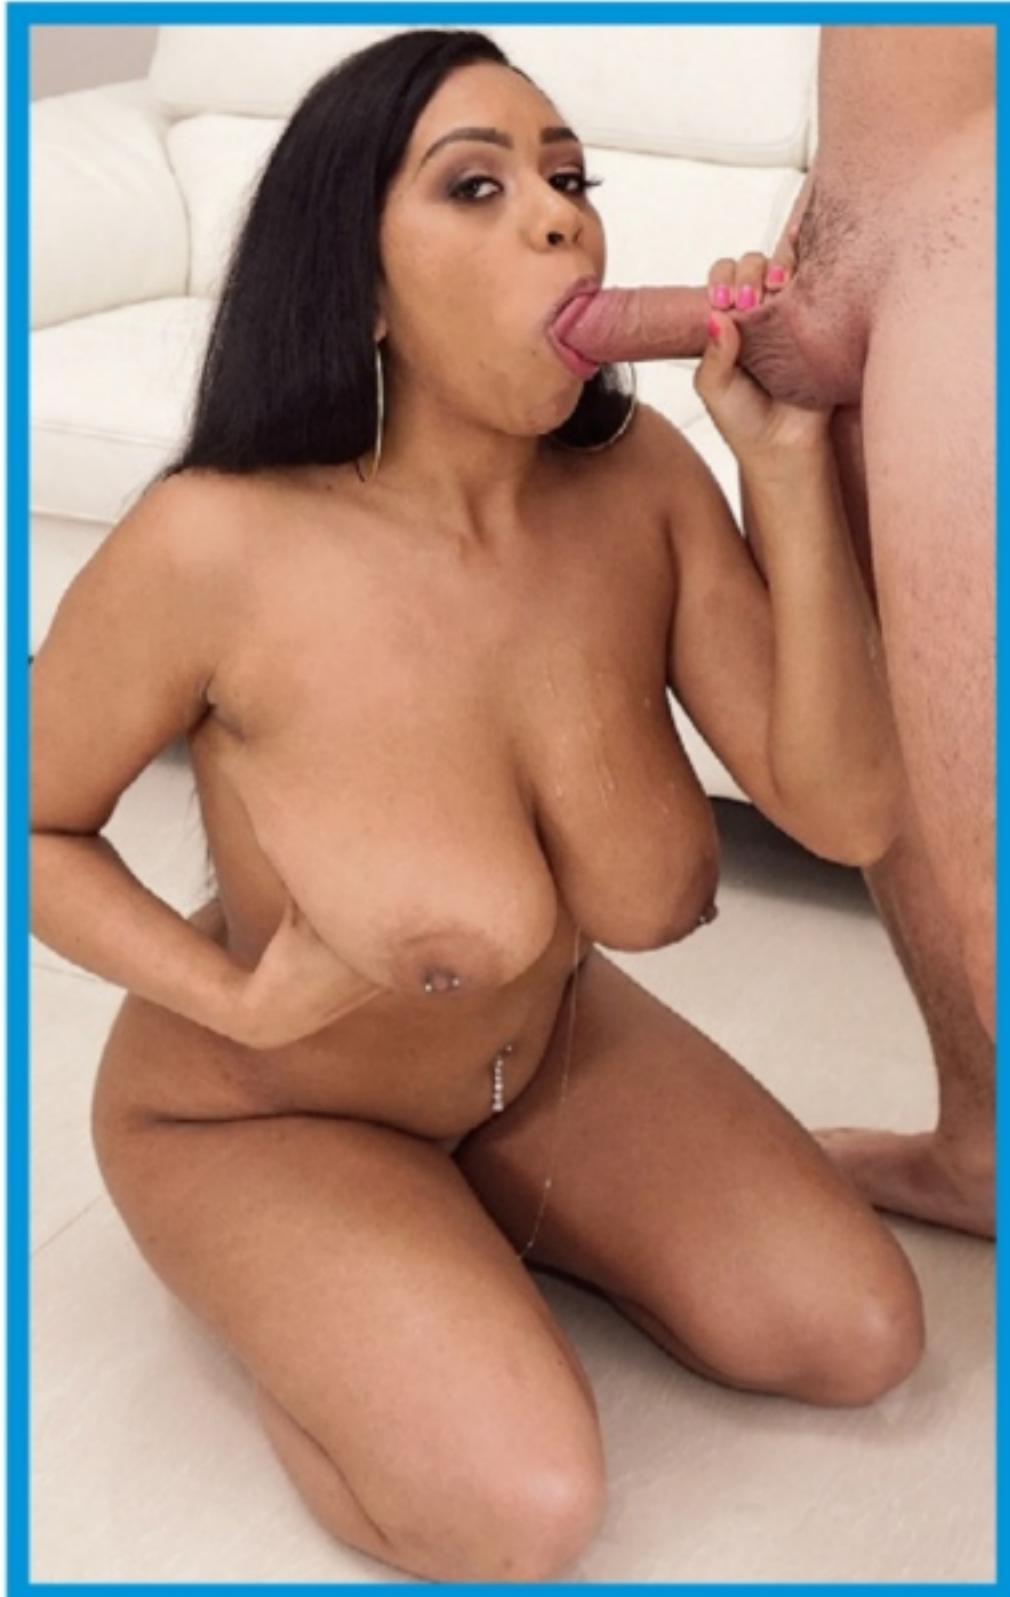

Honey's dad bought her a massage therapy certificate and she intends to take full advantage of it. When her masseuse comes over, she strips in front of him, exposing her sexy multi-racial body and big booty to him. She lies down to get oiled up, and his hands work their way to her throbbing pussy. He then rubs oil on her natural soft tits and he begins to suck down on them before locking lips with Honey. She pulls out his rock-hard cock and starts deep-throating it, then the two start going at it loudly enough to make her dad come out to ask how it's going. They sneakily fuck while he's around but when he finally leaves the masseuse goes back to full-on fucking Honey in her sweet spot. Her tight pussy squeezes his cock as she rides him up and down and sucks him off. He blows a huge load on her face to finish her orgasmic rubdown.

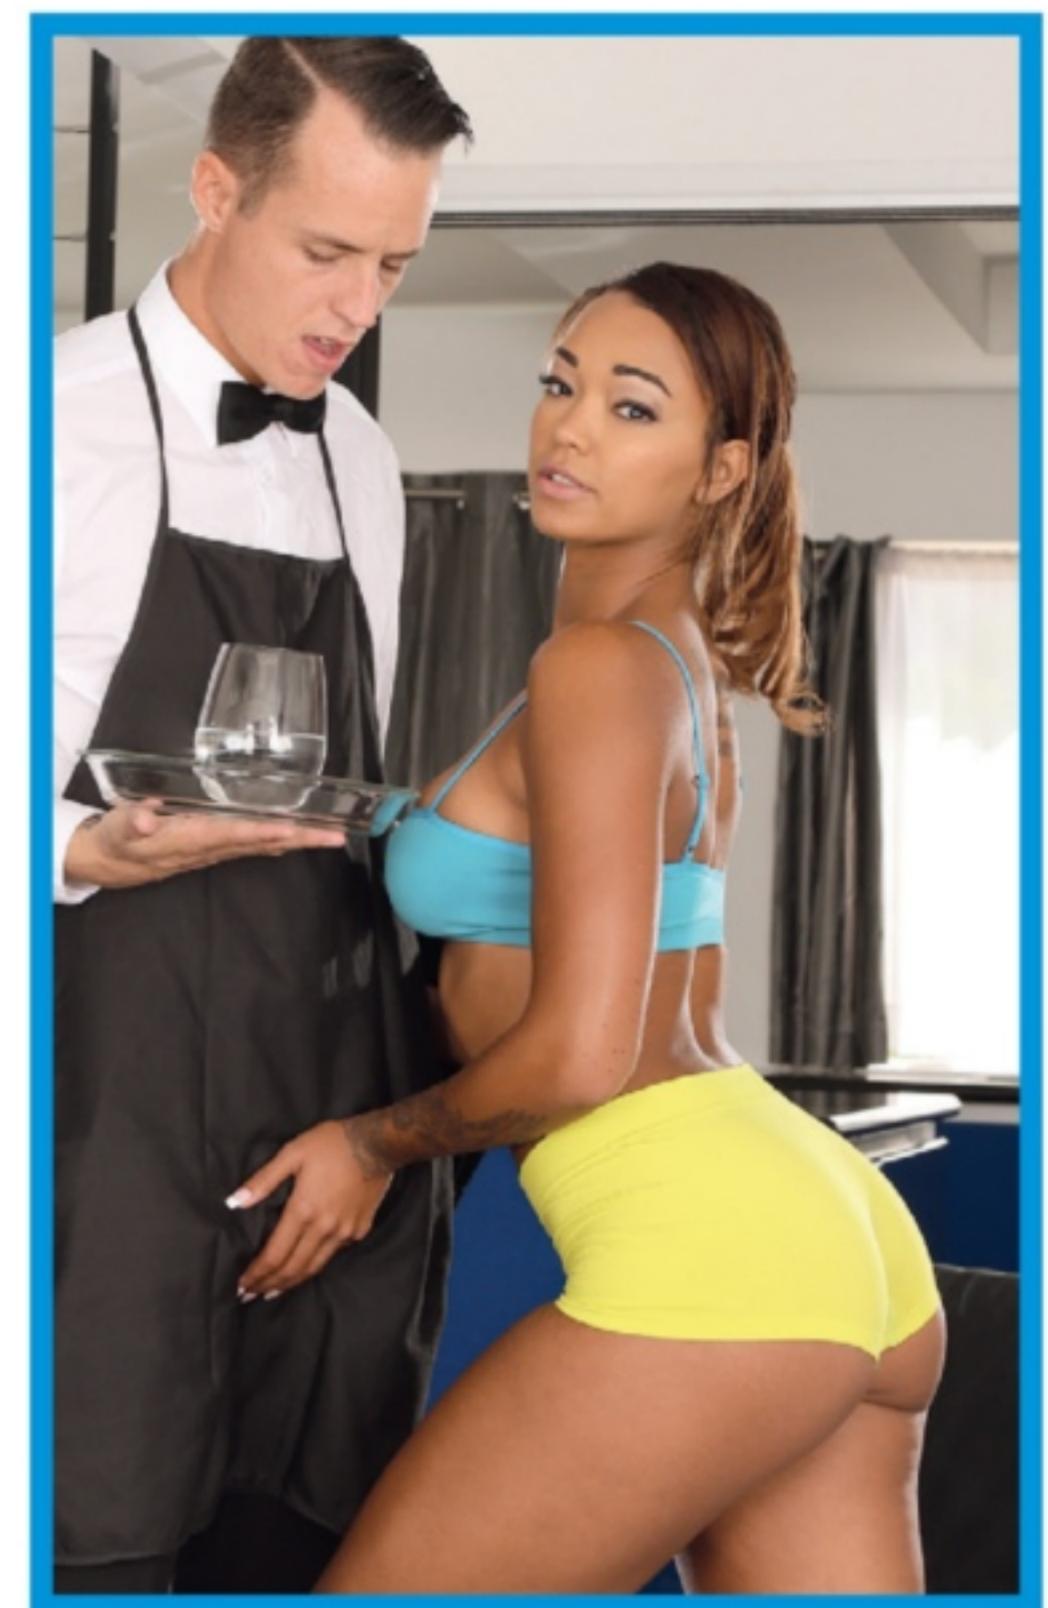

KATT GARCIA

Katt walks in on her room-mate after his shower and is turned on by his erect cock sticking out. She goes back to her room to finger her muff but is interrupted by him when he walks by. Seeing how sweet and luscious she looks, he pulls out his cock and gives her what she wants in her mouth. She sucks him off good before he begins boning her super wet berry. He drills her hard and fast, her body trembling the harder he goes, then begs for his cock up her ass. He works his way in and he continues fucking her as hard as he fucked her vag pipe. They really heat things up throughout this scene, never losing any momentum, and they top it with Katt getting splattered with ball juice.

HARLEY DEAN

Harley comes back from her workout feeling hot, horny and wet. When her houseboy serves her a drink she orders him to work her over. She uncovers her big plastic tits and shows off her toned, athletic body, getting him at full bongage level. She gags on his cock, servicing her houseboy until he's hard enough to ram his stick in her dripping pussy. Her long legs look amazing when she's riding him, her slender built body nicely glimmers with her sweat, and her oral skills almost lead him to cum a blast full in her mouth. Her pussy is tight, but he manages to squeeze in and out, even in He-Man, managing to fuck her good. Harley sucks him off one last time, delivering a hot load of cum down her throat.

AMETHYST BANKS

Amethyst is in the middle of her kickboxing workout, but the air conditioning breaks, so she starts to workout fully nude. Too distracted by her bangin' body, her trainer pulls out his steel rod and Amethyst gets on her knees to take it all down her throat. Her workouts have been making her pussy tight since he can hardly work his thick member in her tight snatch. Amethyst lets her trainer take control and she dutifully rides his cock in a variety of positions, her stamina never slowing down for his cock. She sucks off her pussy juice off his cock, and they repeat many of the same positions, her body always in a nice closeup. There's plenty of sexual energy here as Amethyst really loves her trainer's white monster dicking her down. He drops a hot load on her sweaty body to close out this amazing volume.

BANGBROS

Laney Rose has itty-bitty titties, and a super-sized sex drive. Her friend Lilly Anderson has a bird tattoo gracing her big, heavy C-cup tits. She also has silver dollar-nipples that stiffen when Laney runs her mouth and tongue over them. **"Put your fingers in me,"** Lilly whispers. **"I want to feel your fingers inside of me, and your tongue on my clit."** Laney eagerly complies, and Lilly cums hard, big boobs bouncing in such a way, it appears the bird on her breast is about to take flight. Our frothy loads are about to lift off, too!
